

B230B/B230C

MODEL: B230B/B230C

2-Piece Ball Valve

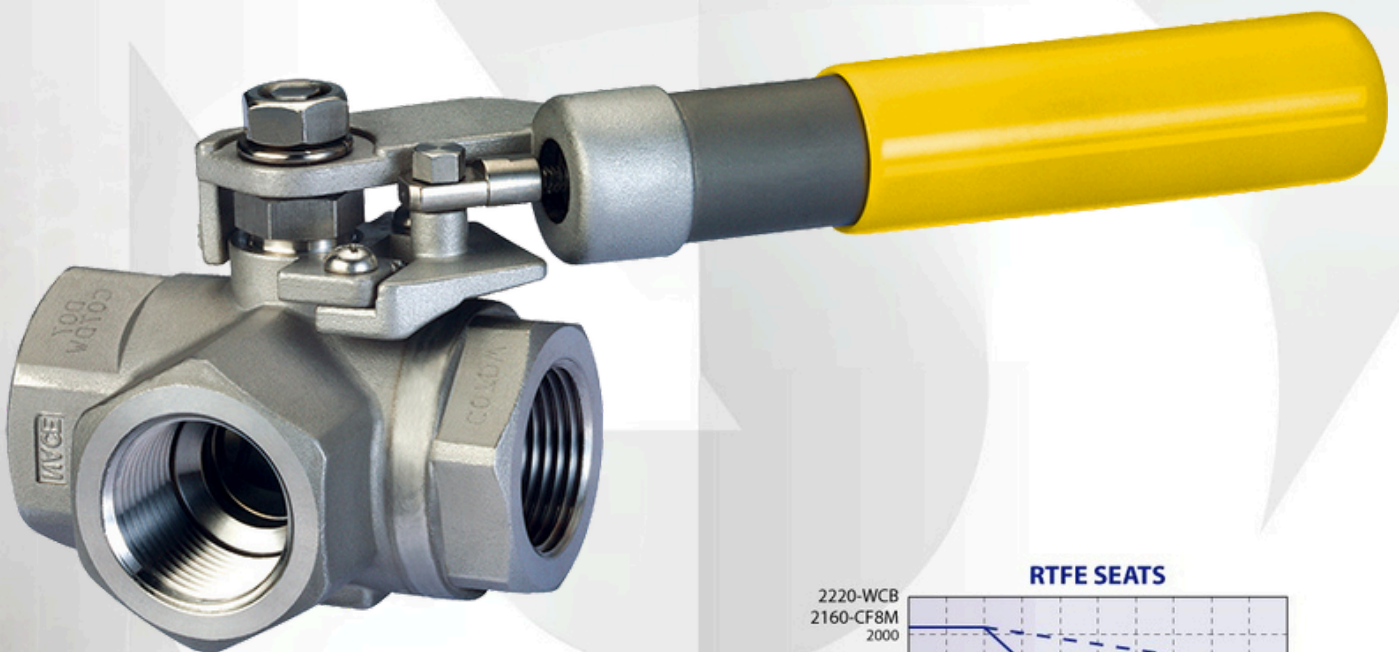

Reduce Port Class 900

PRODUCT FEATURES

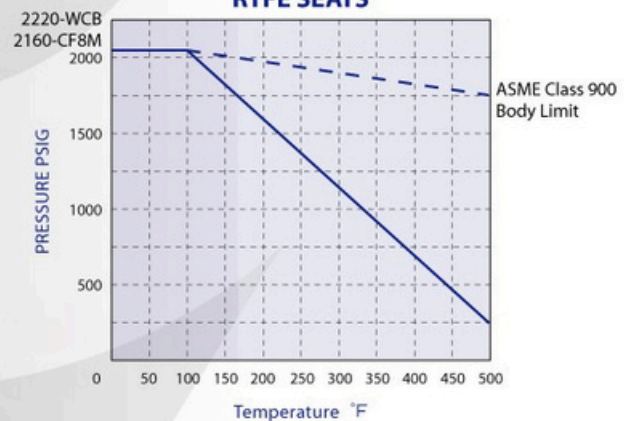

- Two-Pieces Ball Valve
- Fully Compliant with ASME B16.34 Class 900
- Fully Compliant with API 608
- "L" Port Design can Replace (2) Valves
- Standard ISO 5211 Mounting Pads on all Sizes
- Standard 304SS Latch Lock Handle, Spring-Return Handle as an Option

SPECIFICATION

- Investment Casting for Valve Body
- Pressure Rating:
Class 900 / 2160 WOG on CF8M
Class 900 / 2220WOG on WCB
- Size Available: 1/4" to 2"

RTFE SEATS

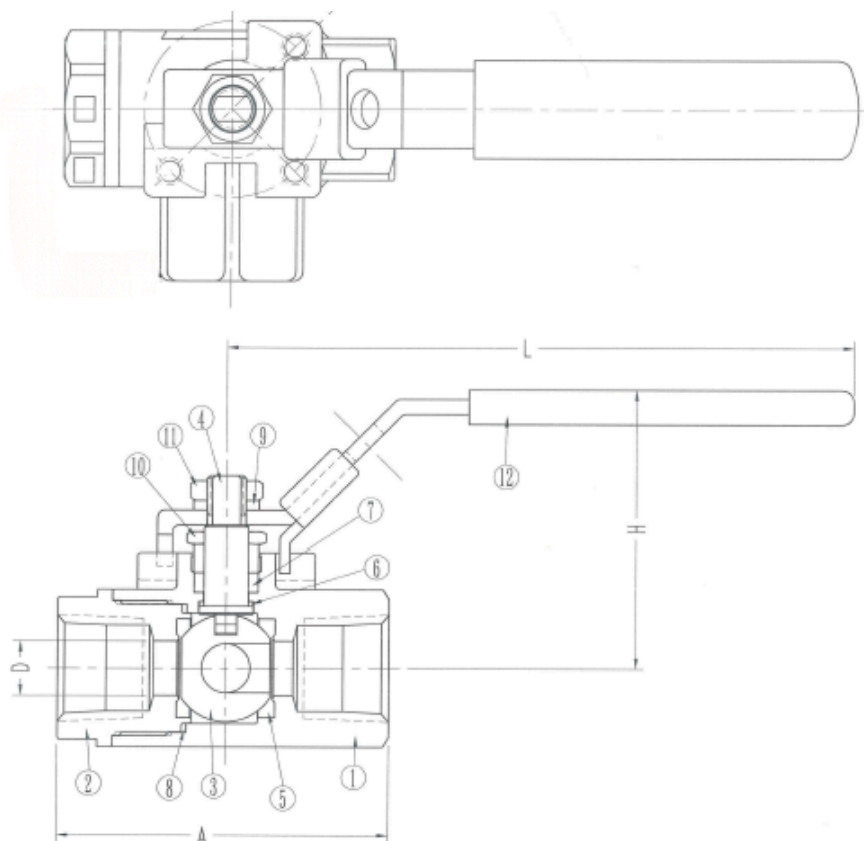

Keeping Safe
with safe Valves

KJV valves offer positive solutions for all your flow-control applications
